CARE AND MAINTENANCE

D-7.3.1.3.4

## USAGE INFORMATION

Use the product appropriately and follow the precautions shown below:

- Always move the furniture atop fixed and stable floors. Non-slip, with no irregularities or dangerous inclines.
- Don't move furniture with weight or people on top of it.
- When moving furniture with screens on it, don't make jerking motions and make sure the cables are unplugged.
- Set the wheel brakes when the furniture is going to be used.

## MAINTENANCE

Clean with a wetted, soft cloth and neutral cleaning agent. Afterwards dry with a soft cloth. Do not use any solvents.

PET. Pour abundant water on PET material and do not scrub. If the dirt persists, then use an specific PET spot-remover.

Clean the upholstery with carpet foam and the rest with a damp cloth.

## END-OF-LIFE

Please visit our homepage for more information about material recycling.
