

## **PRESS RELEASE**

# **Mobel Linea posts profits for 2022 and presents new developments at its 2023 Annual Trade Meeting.**

- **Thirty professionals and sales representatives attended the annual Mobel Linea Trade Meeting to discuss the evolution of sales, the work plan, and the company's new and improved products and services.**
- **The company posted profits in 2022 in general sales, with a growth of more than 15%, and plans to launch 3 new collections of office furniture at the end of 2023 and the beginning of 2024.**

The event, which took place in the central offices of Mobel Linea, in Cervera (Lleida), brought together the company's entire sales network in Spain, Portugal and France. It kicked off with an analysis of the national and international sales: *"We are very happy to close 2022 with a positive result of +11.65% in Spain and + 18.07% internationally, despite the post-pandemic context. This encourages us to continue to work, improve and provide solutions for top trends in office furniture design."* - Mobel Linea states.

After reviewing the largest projects and facilities, the company's decision to renovate and upgrade machinery was discussed, as well as its commitment to environmental sustainability.

Finally, the latest brand launches and the future objectives included in the company's strategic plan were presented to the sales network.

### **About Mobel Linea**

MOBEL LINEA, S.L. is a family company dedicated to the design, manufacture and distribution of office furniture. It was founded in 1976 in Cervera, Lleida (Spain) and employs 270 workers.

From the outset, our purpose has been to provide functional, innovative and quality solutions in office furniture, and to create comfortable, collaborative, and engaging workspaces that lead to a more productive work environment.

Always delivering excellent customer service.

Over the years, Mobel Linea has become a valued company in the sector, and is now a leading manufacturer of office furniture in Spain and Europe. Its sights are now set on furthering its presence in the international market.
