MAINTENANCE

Clean the chair and its elements with a soft damp cloth and neutral detergent.

Check that the screws are tightly fastened periodically, if any.

Warning! Only qualified staff can replace or repair the components of the chair's height adjustment equipped with an energy storage device (piston)

USAGE INFORMATION

Seat for ONE person only! - Do NOT stand on the chair! - Do NOT use it as a step or ladder.

Option to choose casters with hard dual-wheels (suitable for carpet) or casters with soft dual-wheels for delicate floors (suitable for hard floors)
