

## “TEIDE” TABLES

- 30 mm. melamine tops in grey, light beech, dark beech, graphite, blue and green.
- Shell finishes in black, silver, graphite and chrome.
- Stratified plastic-laminated tops are also available for installations that require a higher endurance to abrasion, impacts, chemical products,...
- 2 mm. round PVC edging.
- 35 x 2 mm. steel tube frames and 140 x 23,5 x 1,5 mm. steel profile.
- Level regulators.
- Fixed frames are an exclusive design by Mobel Linea.
- Tables and elements are fitted with an easy assembling kit; no tooling required.
